Department of Art History
Dr. Holger Simon, Dr. Ute Verstegen

Department of Computer Science for the Humanities
Prof. Dr. Manfred Thaller

Department of Educational Psychology
Dr. Bettina Pfleging

University of Anhalt Dessau / Köthen

Department of Computer Science
Prof. Dr. Michael Worzyk

Department of Design
Prof. Rochus Hartmann

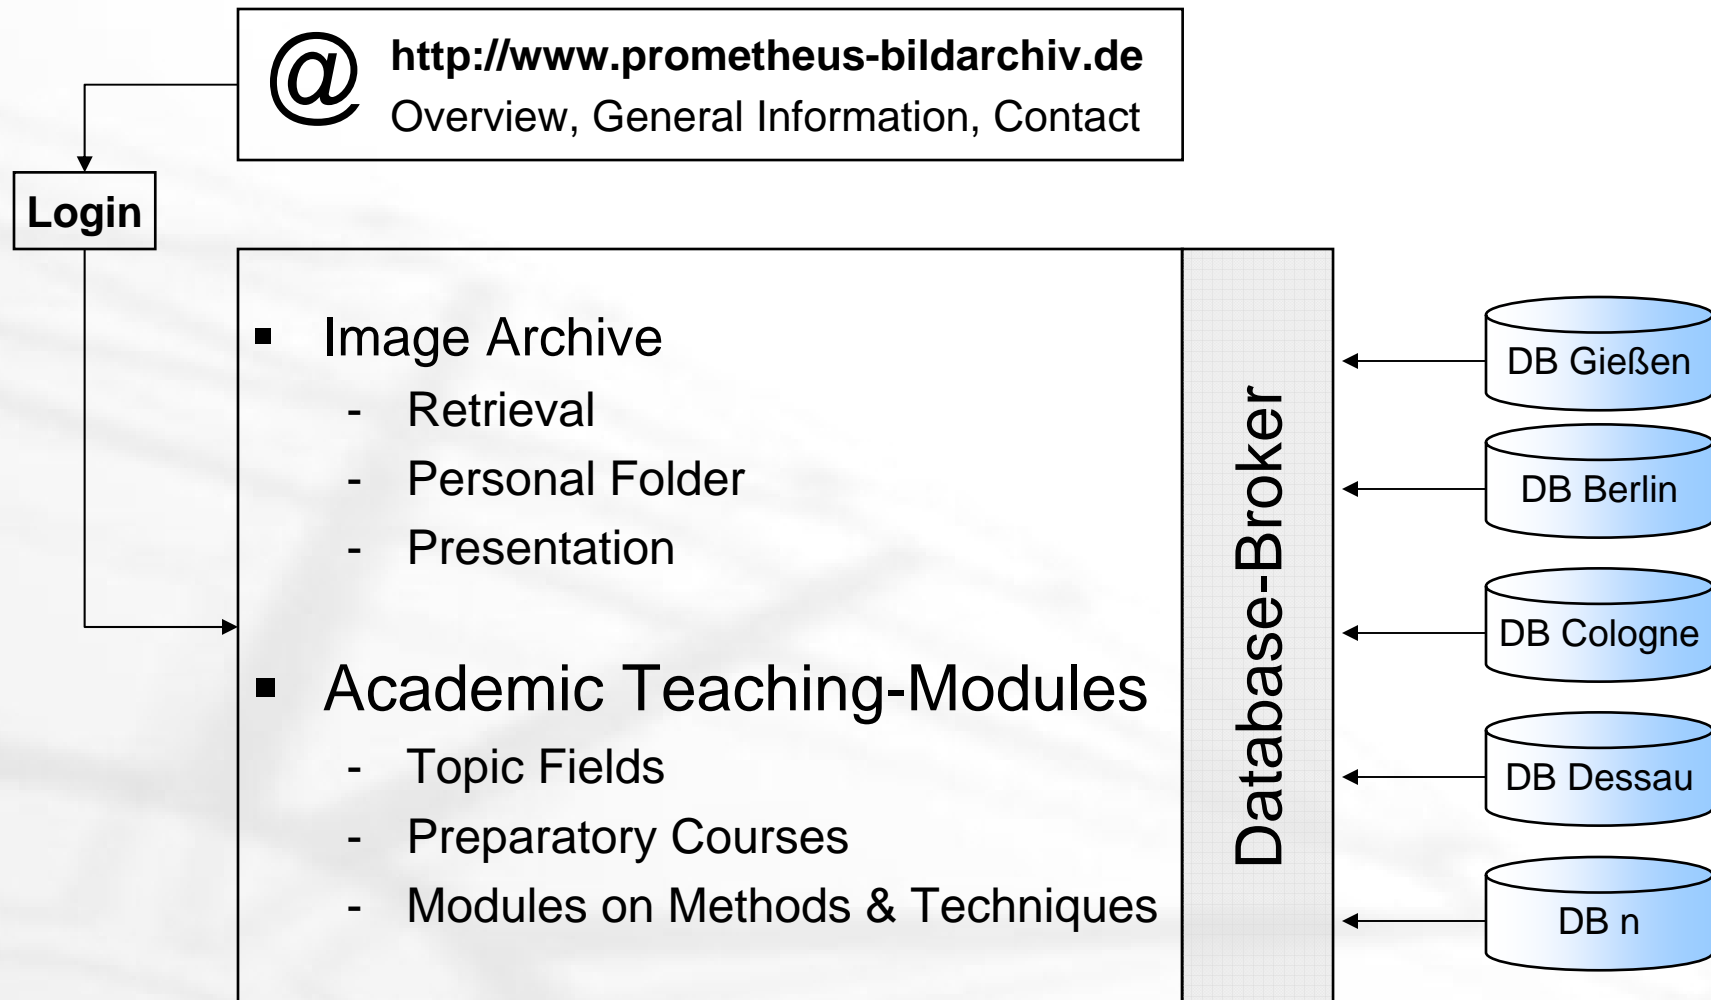

Department of Didactic Design
Dipl. des. Tina Kindel

Ideas and Objectives

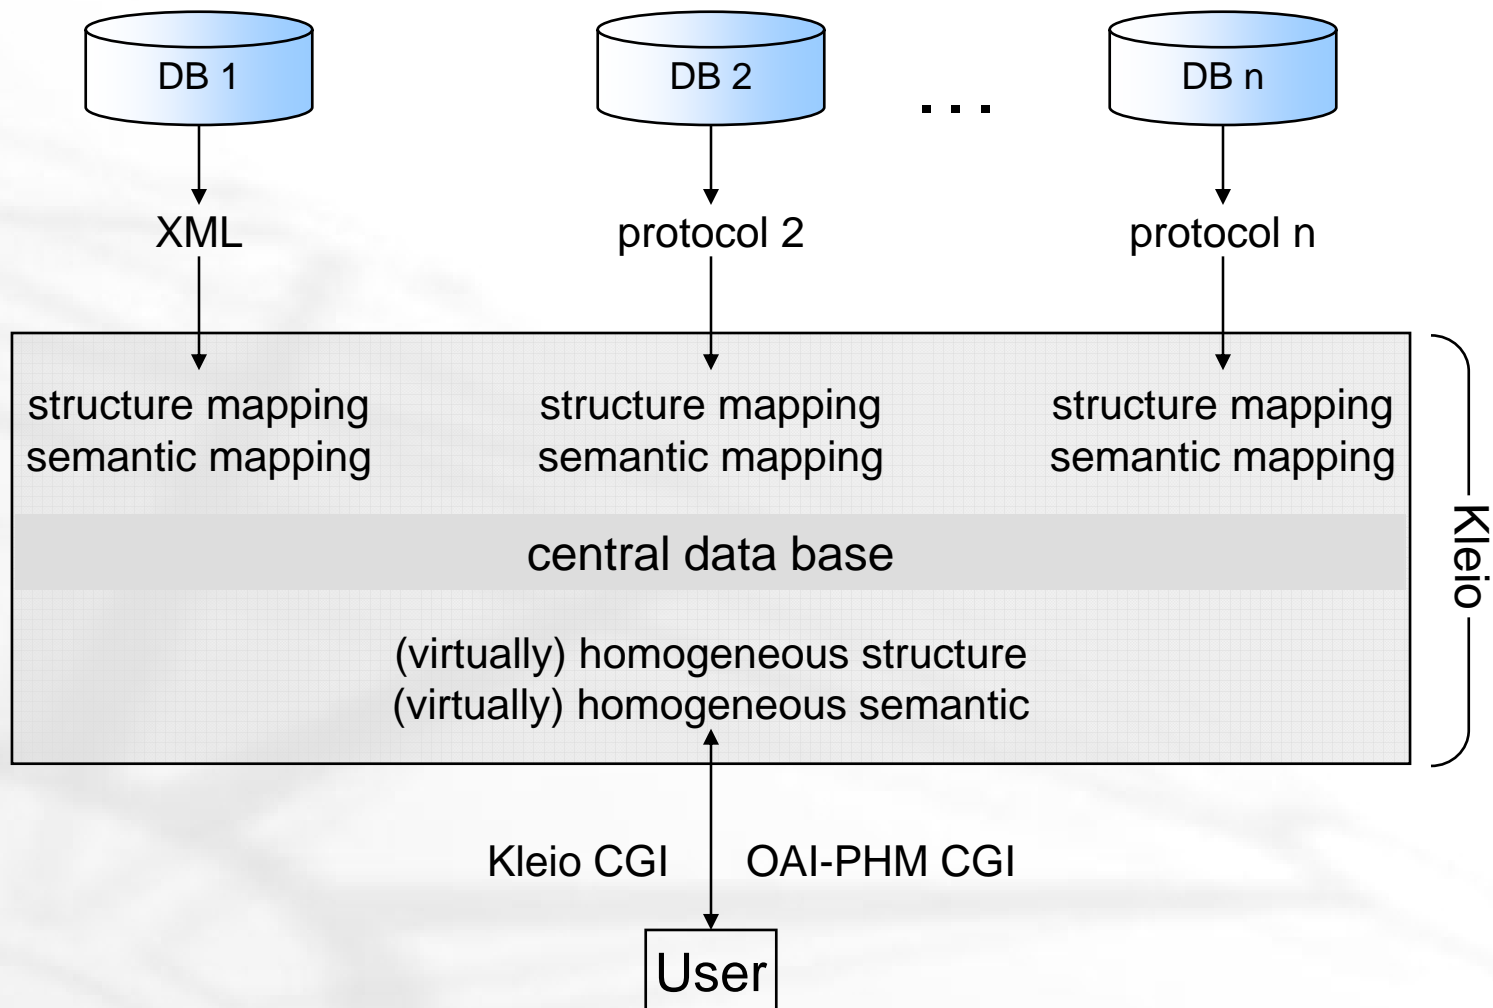

- **Heterogeneous and Distributed** Digital Image Databases Linked on an Internet Basis
 - Integration of DB Berlin (MSAccess), DB Giessen (FileMaker), DB Dessau (MySQL), DB Cologne (FileMaker) and others
 - Automatic Mapping of variable DB Formats and Structures
 - Single, easy-to-use Webfrontend

- **Multimedia** Tools & Teaching- and Learning-Modules
 - Innovative Retrieval Modules
 - Personal Folders
 - Customizable Presentations
 - Interactive Exercises
 - etc. ...

Structure

Technical Concept

Thank you
for your attention
